

# Expectation Sheet Volunteers

## EU Summit

this will not be your normal conference

---

### **What do we offer?**

- The opportunity to be part of the very first Kairos EU Summit with the aim of becoming Europe's most impactful event.
- Get access to an exclusive invite-only startup conference right in the centre of Barcelona
- Work in a dynamic environment with high-performing individuals
- Learn new skills and discover how to develop a problem-solving mindset
- Get experience in the organisation of startup conferences
- Get a great reference in your portfolio to tap further into the fields of startups and event organization
- Be able to connect with some of the world's brightest entrepreneurs to build your future business network
- Learn more about the Kairos Society, one of the most unconventional and outstanding global communities
- If there is a good fit, the opportunity to engage more with the european community on additional projects

### **What do we expect from you?**

- Work professionally and thoroughly to authentically represent the Kairos brand
- Be present from October 18-21 (physical briefing on 18.10 + entire 3 days of Kairos EU Summit) Depending on your role as a volunteer we still expect a certain time commitment before and after the event
- During the event, we expect you to prioritise your work as a volunteer to ensure everything runs as smoothly as possible
- Embrace an active mindset and come up with smart solutions within your team to solve problems during the event on your own
- Take care of your travel and accommodation. We will communicate suitable dates for flights and provide you with suggestions for hostels

# KAIROS SOCIETY

## Kairos Society

Kairos is not your normal community.

"Kairos is awesome. I've seen many great companies come out of here, and I've funded a whole bunch of them."

**TIM DRAPER**

Co-Founder of DFJ, Investor in Tesla and Skype

[Watch a video of Kairos](#)

"Some of the world's most influential leaders - individuals and corporations alike - are looking to Kairos Fellows for a fresh perspective on how to tackle the next generation of global problems."

**SIR RICHARD BRANSON**  
CEO of Virgin Group

After 10 years of handpicking the brightest young innovators from around the world and challenging them to focus on problems worth solving, we can confidently say that we aren't just talking about making the world better, we have taken the risk and acted on those beliefs, creating innovations that will fundamentally improve the way humanity lives.

We create innovations that will fundamentally improve the way humanity lives. Our founders have collectively reached more than \$3Bn in market capitalization, as well as \$650M in capital raised. Successful examples are Periscope, Freenome and Nanoly which are transforming their industries and operating at the very innovative edge of their space.
